now they lay me down to rest hodgie s story by connie l aiken and thomas m aiken about the book new york state police investigator thomas m aiken was asked to reopen a 22 year old cold case homicide in august of 1994 it involved a little boy who was abused beaten tortured and starved literally to death a little boy who never felt the love or protection of a mother in his short life with the fatal strike occurring just before his third birthday as they began their grueling investigation they discovered one lie after another by the professionals that were trusted to protect these children allowing a murderous monster to walk free for 22 years and horrendously abuse six additional siblings until a caring and dedicated prosecutor tenacious investigators and world renowned forensic pathologist dr michael baden put all the broken pieces together and obtained justice for a little boy who no one ever thought anyone would ever care about all the while during the non stop gathering of evidence and statements this book also includes a couple of other chilling homicides that were intertwined during this investigation with all of this adding up to a made for tv movie now they lay me down to rest was written from the perspective of connie tom s wife and mother of six children who navigated her way through a 30 year career involving over 100 homicides and 700 horrendous child abuse cases all coming home to her one case in particular the story of hodgie has always been on their minds and in their hearts they knew someday they wanted to write a book about this case to bring awareness to help children that are in similar situations their goal is to educate police cps doctors teachers neighbors and anyone who is in a position to observe children being abused or hear their cries and to give them the courage to speak up and take action comments from october 4 2021

lecture at the university of south carolina beaufort the knowledge of the presenter and how he presented it it was fascinating horrifying and enlightening the most moving and deep presentation i have ever attended outstanding unbelievable how evil people can be true evil in this world frightening extremely informative the instructor s work experience more than i expected excellent totally riveting created multitude of emotions yes i cried during the i miss you daddy video song but touched at the passion and dedication to help make a change when evil lives among us continued success and bless both of you for your caring and dedication i look forward to your book as an aside makes me angry yes this class has too many wow factors to adequately recognize here i gained a high level of appreciation for the focus determination and professionalism of our civilian police forces and especially the detectives who work to solve these horrific and unsettling crimes i have not attended a more interesting even though the crime was horrific and unsettling and engaging class the presenter was fabulous mainly because he was genuine and forthcoming in so many ways what these officers go through it is hard to imagine being able to turn if off outside of work comments from may 2 2022 lecture at clemson university excellent want more by these folks would love other classes taught by mr aiken

includes the association s membership roster and its complete program and annual reports

anorexia nervosa and bulimia are among the few psychiatric syndromes with a plausible socio cultural model of causation issues of culture and slimness are usually considered in terms of the experience of the western world but there is a growing body of research suggesting that concern with slimness is becoming more prevalent in non western cultures in culture and weight consciousness mervat nasser brings together this research and looks at the recent emergence of eating disorders in cultures that were previously free of such problems she relates the feminist theories that have been put forward to explain the phenomenon of eating disorders in the west to the condition of modern women in many non western cultures and concludes that their position is not at all that different from that of their western counterparts this leads her to address the current limitations of the concept of culture and draw out the implications for future research

the oxford handbook of ethnographies of crime and criminal justice provides critical and current reviews of key research topics issues and debates that crime ethnographers have been grappling with for over a century this volume brings together an outstanding group of scholars to discuss various research traditions the ethical and pragmatic challenges associated with conducting crime related fieldwork relevant policy recommendations for practitioners in the field and areas of future research for crime ethnographers
