when i first began writing this book my goal was not only to make magick easy to understand but also explain to the reader what makes magick work and why this book will teach beginner and seasoned practitioner new and interesting ways to practice the occult magick of old

craig venter embarks on a series of epic ocean voyages to seek out genetically sequence and learn from underwater microbes the voyage of sorcerer ii reveals a treasure trove of previously unknown life and shows how from improving human health to confronting climate change microbes are key to our future

often regarded as an artistic movement of interwar paris surrealism comprised an international community of artists writers and intellectuals who have aspired to change the conditions of life itself over the course of the past century consisting of a wide range of dedicated case studies from the 1920s to the 1970s this book highlights the international dimensions of the surrealist movement and the radical chains of thought that linked its followers across the globe from france to romania and from canada to the former czechoslovakia from very early on the surrealists approached magic as a means of bypassing discrediting and combatting rationalism capitalism and other institutionalized systems and values that they saw to be constraining influences upon modern life surrealist sorcery maps out how this interest in magic developed into a major area of surrealist research that led not only to theoretical but also practical explorations of the subject taking an international perspective atkin surveys this important quality of the movement and how it s remained an important element in the surrealist project and its ongoing legacy

this book will prove to the reader that sorcery and magic are real forces in the world and that the tenacity of such ideas over thousands of years of human history is proof of their legitimacy this is why the great and powerful of the world have always been and still are involved in magical rituals this book allows the reader to implement their own proactive and bespoke tactical sorcery to make their own lives more meaningful and creative you can tear apart the fabric of reality if you wish to do so demons can be summoned and gods can be invoked that black magic is indeed a real force in the world and how we all need to understand how to defend ourselves from it from folk magic to chaos magic the terms change but the sorcery remains what you don't know can harm you what you do know can make your own life incredibly rich and rewarding sorcery is the key which opens a door into godhood

this compelling volume explores how war magic and warrior religion unleash the power of the gods demons ghosts and the dead documenting war magic and warrior religion as they are performed in diverse cultures and across historical time periods this volume foregrounds embodiment practice and performance in anthropological approaches to magic sorcery shamanism and religion the authors go beyond what magic represents to consider what magic does from chinese exorcists javanese spirit siblings and black magic in sumatra to tamil tiger suicide bombers chamorro spiritual re enchantment tantric buddhist war magic and yanomami dark shamans religion and magic are re evaluated not just from the practitioner's perspective but through the victim's lived experience these original investigations reveal a nuanced approach to understanding social action innovation and the revitalization of tradition in colonial and post colonial societies undergoing rapid social transformation

fifteen year old frank sampson has a hard time following the rules he's smart mouthed and not so good with people he also happens to be a highly gifted forensic sorcerer so when the bishop of oxford is beheaded frank is called in to help solve the case the mystery of the bishop's murder becomes even more complicated when frank's magic shows him the missing head doesn't actually belong to the headless corpse to crack the case he'll need to use unorthodox methods no matter the consequences

if you're interested in assuring that you obtain real tangible results with your spells and are willing to put the work into doing so this is definitely the book for you completely filled with some amazing insights ideas and tips that come from experience miller's ideas are some that i've never seen in other books this book alone completely changed how i approach giving offerings to spirits and deities mat aurn author of psychic witch this book is about real magick effecting real change in a real world there are some books on magick that teach it purely as spiritual advancement there are others that teach it as a form of psychological self help that affects only inner change while magick can and should be both of these it is something more real sorcery is about success in practical magick it is a book that aims at change in both the outer and inner worlds beyond a mere spell book or training course real sorcery is a field manual on successful sorcery written by a professional sorcerer the first part of the book lays out the qualities concepts and exercises necessary to attempt practical magick the second part presents clear strategies for tackling almost any type of issue with sorcery in this book you will learn how to attack problems from multiple angles not just by casting a spell blend mundane and magical action to ensure success figure out whether what you are doing is working and fix it if it isn't go beyond readings into magical intelligence gathering influence the minds of other people work most effectively on behalf of others this book was previously published as the sorcerer's secrets by new page books in

2009 this edition features a new introduction from the author one new chapter and updates throughout

the world's top black magicians reveal their priceless secrets of magick power in the anthology of sorcery compendium including volumes 1 2 and 3 learn advanced black magick to ignite your ascent with over 43 authors and their favorite rites demons and spells that you cannot find anywhere else featuring e a koetting asenath mason lon milo duquette s connolly michael w ford kurtis joseph andrieh vitimus asbjorn torvol s ben qayin j s garrett and many more anthology of sorcery initiation volume 1 anthology of sorcery revelations volume 2 anthology of sorcery spells volume 3

the lesser key of solomon the king the goetia is one of the most widely read and feared books known to today's magical practitioners it has been translated edited and commented upon by some of the most illustrious mages of the last two centuries this book is the first to address witches in regard to the legion and it is unique in its admonition of the spirit torture that has been the hallmark of previous editions here you will find a reasonable direct approach to working with the 72 spirits of the legion the witches key to the legion includes several essays on working with these spirits discussions of the creation of the legion and their seals a complete demonic do not call list two quick reference tables to help you easily find a spirit with whom you have affinity alternate sigils for most and illustrations of several of the spirits and updated descriptions of all 72 spirits as provided by the spirits themselves

the postcolonial states of fiji papua new guinea and vanuatu operate today in a global arena in which human rights are widely accepted as ratifiers of un treaties such as the convention on the elimination of all forms of discrimination against women and the convention on the rights of the child these pacific island countries have committed to promoting women's and girls rights including the right to a life free of violence yet local national and regional gender values are not always consistent with the principles of gender equality and women's rights that undergird these globalising conventions this volume critically interrogates the relation between gender violence and human rights as these three countries and their communities and citizens engage with appropriate modify and at times resist human rights principles and their implications for gender violence grounded in extensive anthropological historical and legal research the volume should prove a crucial resource for the many scholars policymakers and activists who are concerned about the urgent and ubiquitous problem of gender violence in the western pacific this is an important and timely collection that is central to the major and contentious issues in the contemporary pacific of gender violence and human rights it builds upon existing literature but the contributors to this volume interrogate the connection between these two areas deeply and more critically this book should and must reach a broad audience jacqui leckie associate professor anthropology and archaeology university of otago the volume addresses the tensions between human and cultural individual and collective rights as played out in the domain of gender gender is a perfect lens for exploring these tensions because cultural rights are often claimed in defence of gender oppression and because women often have imposed upon them the burden of representing cultural traditions in attire comportment restraint or putatively cultural conservatism and melanesia is a perfect place to consider these gendered issues because of the long history of ethnocentric representations of the region because of the extent to which these are played out between states and local cultures and because of the efforts of the vibrant women's movements in the region to develop locally workable responses to the problems of gender violence in these communities christine dureau senior lecturer anthropology university
